Dear Sir,

Thank you for your letter dated 18.06.2010 enclosing your current report "Thermal Energy-Backbone of Power Sector".

I have gone through the report thoroughly and found it contains all important information in respect of Thermal Power Station and will be very useful for working engineers and managers.

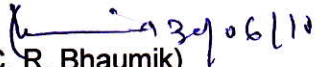

I would request you, if possible to include cost of new Thermal Stations (MW basis) of various sizes varying from 250 MW to 800 MW in your next edition.

I would also request you to send me a copy of your previous issues particularly on (a) Hydro-energy and (b) Renewable Energy.

I will also expect your forthcoming issue on 'coal and merchant power'. These reports will be used for our reference.

Thanking you,

Yours truly,

(C. R. Bhaumik) 30/06/10
Advisor (Engg)
